

Fatimah Ahmed Alhaddad

Software Engineer | SAP Associate Consultant | Front-End Developer

+966 546 993 111 fatimaahaddad@hotmail.com Fatima Alhaddad

Saudi Arabia Portfolio Fatima Alhaddad Fatima Alhaddad

PROFESSIONAL SUMMARY

Software Engineer with a strong foundation in front-end development and full-stack application engineering, recently certified through the SAP Young Professionals Program. Experienced in building user-centered applications and integrating back-end services, with growing specialization in SAP technologies and enterprise solutions. Capable of contributing to both technical development teams and SAP implementation projects. Open to SAP consulting roles and graduate programs.

CORE COMPETENCY AREAS

- Front-End Development & UI/UX.
- SAP Technologies & Enterprise Solutions.
- Full-Stack Application Development.
- Agile Collaboration & Technical Execution.

PROFESSIONAL EXPERIENCE

SAP Young Professionals Program - SAP Digital Skills Center | Saudi Arabia

Trainee | 01/2026 – 02/2026

- Completed intensive preparation program for SAP Associate Consultant roles.
- Trained in SAP technologies, business process understanding, and consulting fundamentals.
- Developed implementation, integration, and client communication skills.

Aramco | Saudi Arabia

Software Engineer Intern | Sep 2025 – Nov 2025

- Supported digital training systems and improved data accuracy and reporting workflows.
- Assisted in operating VR-based training sessions and monitoring completion metrics.
- Maintained structured documentation and ensured system consistency.

Oregon System Company | Saudi Arabia

OT Cybersecurity Fundamentals Trainee | 08/2024 – 09/2024

- Completed intensive training in OT cybersecurity and industrial system protection.
- Applied secure architecture principles and participated in hands-on labs.
- Analyzed vulnerabilities and mitigation approaches in simulated environments.

PROJECTS

Prince Mohammad Bin Fahd University | Saudi Arabia

FlashPass | Emergency Traffic Light Priority System Senior Project | Sep 2024 – May 2025

- Developed the mobile interface using Flutter and Firebase.
- Designed mockups, wireframes, and user experience pathways.
- Implemented IR-based Arduino signaling logic for traffic light control.
- Integrated live data, alerts, and authentication inside the mobile app.

ACADEMIC BACKGROUND

Prince Mohammad Bin Fahd University | Saudi Arabia

Bachelor of Software Engineering | GPA: 3.2/4 | Sep 2021 – Sep 2025

MEMBERSHIPS & ACTIVITIES

Google Developer Groups on Campus (PMU) | Saudi Arabia

Public Relations Member | Mar 2024 – May 2025

- Coordinated communication efforts with speakers and guests.
- Promoted events across campus and digital platforms.
- Supported engagement strategy and event organization.

Google Developer Groups on Campus (PMU) | Saudi Arabia

Cybersecurity Department Member | Sep 2023 – May 2024

- Assisted in preparing cybersecurity workshop content.
- Helped organize technical events and awareness campaigns.
- Collaborated with team members to support community training.

CERTIFICATIONS & COURSES

- SAP Build Developer | 2026.
- Google UX Design Professional Certificate | Coursera | 2025
- Software Design and Architecture Specialization | University of Alberta | 2025
- DevOps, Cloud, and Agile Foundations Specialization | IBM | 2025

SKILLS

Front-End & UI/UX Engineering

- HTML, CSS, JavaScript
- React
- Flutter (UI Development)
- Responsive Design

Tools, Platforms & DevOps Foundations

- Android Studio
- Cloud & DevOps Fundamentals (IBM)
- CI/CD Basics
- Software Design & Architecture

Software Engineering Foundations

- Object-Oriented Programming (OOP)
- Data Structures & Algorithms (Foundational)
- Software Development Lifecycle (SDLC)
- System Design Basics

SAP & Enterprise

- SAP Build
- SAP Integration (Foundations)
- Business Process Understanding
- System Implementation Basics

LANGUAGES

- Arabic.
- English.
